

Global Animal Test-Free Statement of Assurance

The undersigned company attests that from the ____ day of _____, 20____, each of the products that it manufactures, produces, or distributes is developed and manufactured in accordance with the following standard:

The company does not and shall not conduct, commission, or pay for animal testing of any products, nor will it conduct, commission, or pay for animal testing of ingredients used in, or formulations of, such products. The company shall ensure that suppliers of ingredients for its products do not conduct, commission, or pay for tests on any ingredients used by the company. The company shall require that each of the manufacturers of any finished product that it sells or distributes does not and shall not conduct, commission or pay for animal testing of any products, including, without limitation, formulations and ingredients of such products. The company shall not pay for or allow animal testing of any products, including, without limitation, formulations and ingredients of such products, by or at the direction of regulatory agencies in foreign countries.

The company shall immediately notify PETA in the event that it is no longer in compliance with the above standards.

The undersigned hereby confirms that he or she is the authorized agent of the company with full authority to execute and ensure compliance with this statement of assurance.

Definitions

a. Company: As used in this statement of assurance, “company” means the corporation, partnership, or other legal organization that has separate existence and can function legally, including, without limitation, its subsidiaries, brands, divisions, agents, and employees.

b. Animal Testing: As used in the statement of assurance, “animal testing” means all testing of finished products or any one or more ingredients or formulations used in the manufacturing or production of such products, in which whole nonhuman animals are the test subjects, including, without limitation, fish, amphibians, reptiles, birds, and nonhuman mammals. Animal testing excludes *in vitro* tests or tests conducted completely with human volunteers.
